

LES DOYENNES DE PANHARD & LEVASSOR

Each year, one of the clubs member of the **Association des Clubs de Marque** organises the rally of the association. In 2018, it is the turn of Les Doyennes de Panhard & Levassor.

The year of its creation, our club organised the rally around the Abbey of Fontevraud, near Saumur, along the Loire River. In 2008, we drove you in Normandy, with an air of *Charleston*.

This year, we propose you to come back to the original scene of crime: close to the Abbey of Fontevraud, on September 7th, 8th and 9th.

Our journey will be full of culture and mechanic, « art de vivre » and eccentricity. It will end Sunday at the castle of Brissac.

Registration

The total number of teams will be limited to fifty, due to hotel constraints, but also to ensure friendliness. Registrations will be over by the **end of April**.

To ensure a good balance between the different car-makes of our association, we have decided to validate the registrations in the order of arrival, **make by make**. It may therefore happen for some makes that a registration would not be validated even if it was send well before the target date...

Should a car-make be not represented, one place will be guaranteed until august.

Payment

To be validated, a registration will need to be accompanied by:

- two cheques (bank account in France) corresponding each to half the full price. The first cheque will be cashed in April, the second one in July. If the registration is not validated, both cheques will be returned;
- or at once by Paypal. If the registration is not validated the amount will be paid back, also by PayPal.

Important: when sending money with PayPal, use the option "Send to friends and family".

Documents to return

With your registration, thank you to send us:

- the registration form filled and signed at: **Les Doyennes de Panhard & Levassor - BP8 - 50260 BRICQUEBEC FRANCE;**
- your payment (two cheques or PayPal transfer);
- a picture of your car at registre.doyennes@free.fr.
